Hampshire Rugby 4 MND

The power of rugby beyond the pitch.

We are raising awareness and fundraising for all the MND community. Romsey RFC member Nick Smith is living with MND pictured here alongside his son Henry of Andover RFC Vets.

The idea is that you can cycle, run, walk or drive between any or all 34 Hampshire rugby clubs on any days between 14 - 22 June 2025. This is open to all ages and families not just limited to rugby club members. As you move from one club to another across the county take a photo then post and tag on social media.
