Your
Game .**

Welcome to Hampshire.

Gary Self, President, Hampshire RFU

Welcome to today's match between Hampshire U20 and Surrey U20.

It is a great pleasure to see so many players, coaches, officials, and supporters gathered once again to celebrate representative rugby in our county. Fixtures like today are a vital part of our rugby pathway, and they showcase not only the talent we have within Hampshire, but also the spirit and commitment that underpin our game.

Our U20s can take great pride from their opening fixture away against Kent. Although the result did not fall in our favour, the performance was outstanding and demonstrated the quality, resilience, and ambition within this group. Narrow defeats can often be the most powerful learning experiences, and I know the squad will have taken a great deal of confidence from how they played.

At the heart of everything we do are our TREDs values - Teamwork, Respect, Enjoyment, Discipline, and Sportsmanship. These values are not just words; they are the foundation of rugby in Hampshire and were clearly evident in that first performance. I encourage everyone involved today to continue to embody these principles both on and off the field.

It is also incredibly encouraging to witness the continued growth of the game across Hampshire. From grassroots clubs to schools, colleges, and representative rugby, the strength of our rugby community is built on connection. Representative rugby, in particular, provides a fantastic opportunity to maintain and strengthen relationships with our county colleagues, bringing

together players and staff from across different environments under a shared Hampshire identity.

Most importantly, programmes like this play a crucial role in player retention and recognition. They offer our dedicated and talented players the chance to be acknowledged for their efforts, to challenge themselves at a higher level, and to remain engaged in the game we all care so deeply about.

I would like to thank all the volunteers, coaches, referees, and supporters who make days like this possible. Your continued commitment is the lifeblood of rugby in Hampshire.

I wish both teams the very best for today's match and hope everyone enjoys an exciting and competitive game.

Gary Self
President, Hampshire RFU

HAMPSHIRE RFU

Hampshire U20 v Surrey U20

Jason Leonard U20s County Championship - 19 April 2026

Good afternoon all.

Matt Davis, Representative Rugby Lead, Hampshire RFU

It is a real honour to be leading the representative rugby programme for Hampshire RFU this season. Having spent the past three years coaching within the Hampshire Women's setup, I've seen first-hand the passion, commitment, and potential that exists across our county. Stepping into this role, I was incredibly keen to share those experiences and that same enthusiasm across all of our representative programmes.

A key focus for me this year has been strengthening our connections with clubs across Hampshire. Representative rugby should never feel separate from the grassroots game, it should reflect it, support it, and celebrate it.

Today is a great example of that in action, and I'd like to extend a sincere thank you to Gosport and Fareham RFC for hosting us. Opportunities like this help bring the county together and showcase the important role clubs play in developing and supporting our players.

We are also committed to providing a high-quality experience for every player involved, both on and off the pitch. While performance and results will always matter, it is just as important that players enjoy their rugby, build lasting relationships, and create memories that keep them connected to the game for years to come.

The effort and attitude shown by the U20s in their opening fixture were outstanding. Although the result didn't quite go our way, the performance set a strong foundation to build on, and I know the group is excited to keep progressing.

I'd like to thank all the coaches, team managers, volunteers, and supporters who continue to give their time and energy to make these programmes possible. Your work behind the scenes is invaluable.

Finally, best of luck to both Hampshire and Surrey today. I hope everyone enjoys what promises to be a competitive and entertaining match.

Matt Davis
Representative Rugby Lead
Hampshire RFU
