It's Your Game .

Welcome to Hampshire.

Gary Self, President, Hampshire RFU

Welcome to Havant RFC for today's Gill Burns Division 1 fixture between Hampshire Women and Kent Rugby. It is a pleasure to welcome players, coaches, match officials, volunteers, and supporters for what promises to be an excellent occasion.

Today marks another significant step forward for women's rugby in Hampshire as we compete in Gill Burns Division 1 for the first time. This new competitive level is a reflection of the hard work, commitment, and progress made by players and staff over a number of seasons.

This new chapter brings fresh opposition, new challenges, and exciting opportunities to test ourselves against strong counties such as Kent. These are the occasions that drive standards higher and help players continue to develop both individually and collectively.

Across Hampshire, the women's and girls' game continues to grow at an impressive rate. From minis and youth sections through to senior club rugby and county representation, the pathway is becoming stronger every year. Representative rugby remains an important part of that journey, providing recognition for our talented and dedicated players while helping them remain connected to the game and proud to represent their county.

We are also delighted that the team will be wearing their new Hampshire kit today, made possible through the valued support of our county programme sponsor, Owtons Butchers. Owtons have enjoyed a long-standing relationship with Hampshire rugby, and we are extremely

grateful for their continued commitment to supporting our players and representative programmes.

Our TREDs values; Teamwork, Respect, Enjoyment, Discipline, and Sportsmanship, remain central to everything we do. I know both teams will embody those values today and provide a competitive match played in the right spirit.

I would like to thank Havant RFC for hosting today's fixture also to the many volunteers, coaches, referees, and supporters whose efforts make days like this possible.

I wish both Hampshire and Kent the very best and hope everyone enjoys a fantastic afternoon of rugby.

Yours in rugby,

Gary Self

President, Hampshire RFU

HAMPSHIRE RFU

Hampshire Women v Kent Women

Gill Burns Women's County Championship - 10 May 2026

Good afternoon all.

Matt Davis, Representative Rugby Lead, Hampshire RFU

Welcome to Havant Rugby Football Club here at Hooks Lane and thank you for joining us for today's Hampshire RFU Women versus Kent Rugby fixture in the Gill Burns County Championship.

Today is an exciting milestone for our women's programme as we begin life in Gill Burns Women's County Championship Division 1. This opportunity has been earned through the dedication, resilience, and progress shown by the squad and coaching group over recent seasons. The standards set year after year have helped put Hampshire in a position to compete at a higher level, and everyone involved should be proud of that achievement.

With the new division comes new opponents, new challenges, and new experiences. Fixtures like today against Kent are exactly the type of test we want, competitive rugby that pushes our players, stretches our standards, and helps us continue to grow.

One of our key aims across representative rugby is to create the best possible experience for players on and off the field. Wearing the Hampshire shirt should always be something special, and we want every player to feel proud, supported, and challenged whenever they enter our environment.

We also remain focused on building strong connections with clubs across the county. The success of representative rugby is built on the

excellent work happening week in, week out in Hampshire clubs, and county rugby should always complement and celebrate that work.

Best of luck to both teams today. We look forward to an exciting contest and another important step forward for Hampshire Women.

Matt Davis
Representative Rugby Lead
